

US/AZ Government  
Guest Speaker Period 2

---

To reach a better understanding of government, a dialogue is needed. An excellent way to start a dialogue is to bring people who have a better understanding of the subject into class. The class will be broken into 10 groups. Each group will select a category and then secure a guest speaker for the class. This is an assignment for the class. Each guest speaker will be worth 20 points. The guest speaker will need to be available for the entire class period. If multiple classes would like to secure the same speaker, that speaker will need to be available for each period.
