

US/AZ Government Government Agencies Project

Purpose:

There are many governmental agencies that impact and effect the course of life on a daily basis. Some of these effects are national and others are international. Exactly what the role of these agencies is can often get blurred with laws, regulations, and any number of ego driven decisions. This project is intended to provide you with an opportunity to gain some personal clarity in better understanding the role of selected agencies

Materials:

Internet

Word processing program

Procedure:

Student will independently.

There are two groups of agencies. There is specific instructions for each group..

For group one, take each of the five agencies and identify the purpose and role of the agency. Then find a recent newspaper article that has a reference to that particular agency. Write down the URL of the article and summarize the article.

Group One

CIA FBI FRB FCC IRS

For group two, write the name and purpose for each agency.

Group Two

BIA FDA GAO HUD FAA
SEC DOT TVA ATF CDC
VOA RFE DOE BLM SSA

Product:

The final product will be in paragraph form. The project needs to include all the information that is above in the procedure section, failure to do so will result in a lower grade.
